I hereby declare that:

Each inventor's residence, mailing address, and citizenship are as stated below next to their name.

I believe the inventor(s) named below to be the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

MOLECULES FOR MODULATING ACTIVITY OF TOLL-LIKE RECEPTORS AND METHODS OF USING THE SAME

(Title of the Invention)

the specification of which

is attached hereto

OR

was filed on (MM/DD/YYYY)

as United States Application Number or PCT International

Application Number

and was amended on (MM/DD/YYYY)

(if applicable).

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b) of any foreign application(s) for patent, inventor's or plant breeder's rights certificate(s), or 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application for patent, inventor's or plant breeder's rights certificate(s), or any PCT international application having a filing date before that of the application on which priority is claimed.

ASSIGNMENT – Worldwide

WHEREAS I, Salvatore Albani, of Androclus Therapeutics S.p.A. and inventor of an invention entitled:

**MOLECULES FOR MODULATING ACTIVITY OF
TOLL-LIKE RECEPTORS AND METHODS OF USING SAME**

For a previously filed **provisional application** filed on October 21, 2003 as Serial No.: 60/513,231 and a new application was filed in the United States Receiving Office of the United States Patent and Trademark Office herewith on October 21, 2004; International Application No. **PCT/US04/34915**.

AND WHEREAS I contributed to the above-entitled invention during the course of my employment with **Androclus Therapeutics S.p.A., a corporation** organized under the laws of _____, at 4204 Sorrento Valley Road, Suites A-C, San Diego, CA 92121;

NOW THEREFORE, for good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, I, do hereby sell and assign to the said

ANDROCLUS THERAPEUTICS S.p.A.

as assignee, and its successors, assigns and legal representatives, the entire right, title and interest for all countries in and to the said invention and in and to the said application and any and all Letters Patent that may be obtained therefor in all countries.

AND I request that any and all Letters Patent for said invention be issued to said assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

AND I agree that when requested I will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said invention, in all countries and for vesting title thereto in said assignee, its successors, assigns and legal representatives or nominees.

AND I authorize and empower the said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any applications for patent or other form of protection for said invention filed by it or them the benefit of the right of priority provided by the International Convention for Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it and to invoke and claim such right or priority without further written or oral authorization from me, and I hereby assign to said assignee all my said right to claim priority in any country from said application which is to be filed in the United States Patent and Trademark Office.

AND I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and particularly in proof of the right of the said assignee or nominee to claim the aforesaid benefit of priority provided by said Convention, as amended, or by any convention which may henceforth be substituted for it.
